## Conference Speakers

### David Anderson, DVM, MS, DACVS

*Professor and Section Head, Agricultural Practices, K-State*

Dr. Anderson received his DVM from North Carolina State University. He then completed a 1-year internship in medicine and surgery at the University of Georgia and a 3-year residency at Kansas State University. Dr. Anderson became a board certified specialist in surgery in 1995. While at Kansas State University, he earned a MS degree in Clinical Sciences. After 11 years at Ohio State University as Head of Food Animal Medicine and Surgery, Dr. Anderson returned to K-State in 2006 as Professor and Section Head of Agricultural Practices.

### Melanie Boileau, DVM, MS, Dipl. ACVIM

*Assistant Professor, Food Animal Medicine and Surgery, Oklahoma State University*

Dr. Boileau received her DVM and completed an internship at Montreal University Veterinary College. She then completed a 3 year residency program in Food Animal Medicine at Oklahoma State University in 2004. She taught as an agricultural practices assistant professor at Kansas State University in 2004, than returned to Oklahoma State University in 2005 as an assistant professor in the Food Animal Medicine and Surgery department.

### Maria Ferrer, DVM, MS, DACT

*Clinical Assistant Professor, Equine Theriogenology, K-State*

Dr. Ferrer received her Veterinary Degree from the University of Buenos Aires in 2000. In 2005, Maria completed her MS from Louisiana State. Dr. Ferrer became a Diplomate of the American Academy of Theriogenology in 2005 and joined the K-State faculty in August of 2006.

### Meredyth Jones, DVM, MS, DACVIM

*Clinical Assistant Professor, Agricultural Practices, K-State*

Dr. Jones received her DVM from Oklahoma State University in 2002. She entered private practice at the Midway Veterinary Clinic in Brandenburg, Kentucky for one year. She then completed a residency in Large Animal Internal Medicine-emphasis Food Animal and received an MS degree in Veterinary Biomedical Sciences at Oklahoma State University in 2006. Dr. Jones joined the K-State faculty in July of 2006.

### Marco Margiocco, DMV, MS, DACVIM (Cardiology)

*Assistant Professor, Cardiology, K-State*

Dr. Margiocco received his DMV from the University of Pisa in Italy. He received his Masters degree of Science at Oregon State University. Most of his research is about the evaluation of advanced echocardiographic techniques (Deformation Imaging), applied cardiovascular pharmacotherapy and pharmacology.

### Matt Miesner, DVM, MS, DACVIM

*Clinical Assistant Professor, Agricultural Practices, K-State*

Dr. Miesner received his DVM from Washington State University in 1999. He then practiced as an associate veterinarian in general private practice before beginning a residency in Food Animal Medicine and Surgery at Ohio State University. After his residency Dr. Miesner remained at OSU as a clinical instructor and a year later was appointed as an assistant professor and also received his MS degree. Dr. Miesner joined the K-State faculty in August of 2006.

## Conference Objectives

This conference on health and management of Llamas and Alpacas will provide instruction for all levels of Camelid management - owners, breeders, and veterinarians. Veterinarians and new owners as well as seasoned veterans will benefit from this state-of-the-art continuing education course that includes herd health, medicine, surgery, nutrition, and reproduction topics.
