

VetBytes Frequently Asked Questions (FAQ)

What are VetBytes Seminars?

VetBytes is a seminar series where clinics register and the entire staff can participate. Seminar materials are delivered “right to your door” – no need to travel or stay overnight!

How Does My Clinic Participate?

Register your clinic. All clinic personnel may participate for one clinic registration fee.

If I Don't Have to Go Anywhere, How Do I Receive the Seminar Information?

VetBytes Seminar materials are delivered in three formats

- 1) A printed presentation booklet and access letter are mailed to your clinic. The access letter will provide user name, password and toll-free phone numbers to access the on-line and audio portions of the seminar.
- 2) On-line video with audio is available during the session dates at any time, day or night
- 3) Two audio sessions are scheduled for each seminar (see “Live Audio Broadcast” dates below) –; two live Question and Answer sessions are also scheduled for each seminar (see “Live Q&A Sessions” dates below).

How Do I Watch the On-Line Presentation?

Log-on using the user name and password provided to you in the access letter. View the on-line 30-minute video and audio presentation at your convenience, day or night, during the dates designated for the particular presentation.

How Do I Listen to the Audio-only Presentation?

Call the toll-free number and enter the pin number provided to you in the access letter. Then you just listen to the audio presentation and follow along in your presentation booklet.

What If I Have Questions About the Presentation Content For the Speaker?

- 1) E-mail questions for the speaker to mritter@vet.k-state.edu – these will be answered during the Live Q&A Sessions (dates and times posted below)
- 2) Call 785-532-4020 with questions prior to the Live Q&A sessions and the speaker will answer the question(s) during the Live Q&A session (dates and times posted below)
- 3) Call the toll-free number provided in the access letter to participate in the Live Q&A sessions as designated below.

What Equipment Do I Need to Watch the On-Line Video with Audio Presentation?

Computer with speakers

minimum computer system requirements are a 56K modem, Windows 98/ME/2000/XP/2003, and a web browser – Internet Explorer or Netscape, version 6.0 or newer or Mozilla 1.4+

Java must be installed on your computer – instructions provided in the access letter.

What Equipment Do I Need for the Audio-only Presentation?

Speaker phone (toll-free number provided in the access letter)

What Equipment Do I Need for the Live Question and Answer Sessions?

Speaker phone (toll-free number provided in the access letter)

How Do I Register for VetBytes

- 1) <http://www.vet.k-state.edu> Click on *Continuing Education*
- 2) Call 785-532-5696 for a VetBytes Brochure

How many credits can each person earn?

Kansas State University College of Veterinary Medicine is offering each seminar for one Continuing Education contact hour. Please be aware that some boards have limitations on the number of hours accepted in certain categories and/or restrictions on certain methods of delivery. Participants should check with their licensing jurisdiction(s) for information regarding recognition by the board.
