*The following three questions should be answered by the parent or guardian of the child on a separate page typed. Limit responses to a maximum of 200 words.*

1. Describe why your child is interested in our summer camp.
2. Explain how the scholarship will be financially helpful for you.
3. Describe what sets your child apart from the other students, and how the summer camp can further help them reach their goals.

*The following questions should be answered by the child applicant in a few sentences with minimal help from the parent/guardian. Errors in spelling and grammar will not be penalized.*

1. Why do you like veterinary medicine or animals?

2. What do you hope to learn at the Vet Med ROCKS summer camp?

3. What is your favorite animal and why?

4. Would you like to teach other people about animals and veterinary medicine? Why or why not?
