

CVM Graduate Student Association Meeting

April 2, 2004

Officers:

President	Sambasivrao Tadepalli	stadepal@vet.ksu.edu
Secretary	Susan Moore	smoore@vet.ksu.edu
Treasurer	Brian Thompson	brthomps@vet.ksu.edu
Event Coordinator	Vinita Chauhan	vchauhan@vet.ksu.edu
Technical Officer	Kim Austin	kiaustin@vet.ksu.edu

Sam started the meeting with a description of the method to become an official club with the SGA: submitting a form with officers (president and treasurer) listed and an organization constitution. Discussed were the benefits of forming an official club: funding for travel grants, scholarships, speakers, etc. The Graduate Student Council has recently stated the increase of funds available to them.

Sam next reviewed the draft constitution:

- Name was discussed, CVMGA was generally agreeable (though one suggestion of Disease Busters was also appreciated by some).
- Membership
- Officers - description and terms
- Faculty Advisor - description and term
- Problem Resolution

The draft constitution will be e-mailed to all graduate students in the college, any suggestions or concerns should be e-mailed to Sam or Brian. If no suggestions or concerns are received by Sam or Brian in two days, the assumption will be made that the constitution is acceptable.

The next meeting was agreed to be a picnic the last week of April, to be organized by Vinita. Anyone who wants to volunteer to help plan the picnic, please contact Vinita.
