By signing this document, you are granting your permission to share your dossier with the funding sponsors as well as faculty members of the College of Veterinary Medicine who comprise the Program Advisory Committee.

**I. STATEMENT OF GOALS**

Please explain what you hope to gain through participation in the Veterinary Research Scholars Program. Describe personal and educational experiences that you consider relevant to this program and to your professional goals. If you have had previous research experience, please describe the nature and the depth of that experience. **Attach your essay to the application; limit your response to one-page of single-space text of font size ≥ 10.**

**II. RESEARCH TOPIC INTEREST**

An up-to-date list of faculty mentors interested in accepting Veterinary Research Scholars this coming summer is available on the program web-site (<http://www.vet.ksu.edu/gradschool/index.htm>). You are encouraged to learn more about their research programs at the pizza feed/information session that will be held on January 21, 2009 at 5:30 pm in the Practice Management Center of the Kansas State University College of Veterinary Medicine. On the basis of this information and any additional interactions you have with potential research mentors, please identify in the space below the four faculty mentors and/or research areas most interesting to you. You may indicate a strong preference by ranking the faculty members and programs, but it is not necessary to do so.
