

PROCEEDS BENEFIT

Formerly The Kansas Specialty Dog Service, Inc. (KSDS) is a non-profit organization dedicated to the training and placement of canine assistants to individuals with physical disabilities. KSDS, Inc.

provides dogs at no cost to the individuals for one of two areas of service, guide dogs for the blind or visually impaired, or service dogs for physically disabled. KSDS, Inc. has their own breeding program consisting of Golden Retrievers, and Black and Yellow Labradors, which are specifically selected for the program based on physical background, disposition, temperament, and trainability. The puppies are sent to foster families who teach basic obedience, house and public manners, and socialization. After 12-18 months in the foster family, the puppy is returned to KSDS, Inc. for an additional 6-9 months of training before being matched for service. Because KSDS, Inc. provides these service dogs at no cost to the individuals, any donations and support, as well as those interested in being foster families, are always welcome.

KSDS tours and programs are available and are scheduled by appointment.

"Dogs have given us their absolute all. We are the center of their universe. We are the focus of their love and faith and trust. They serve us in return for scraps. It is without a doubt the best deal man has ever made."
