To nominate an employee for one or more of these awards, complete the nomination form on the CVM Staff Council website and upload two letters of support.

*Please note, the nomination process at the CVM is very similar to that of campus, please feel free to use the same nomination support letters for the spring awards at the university level. More information on these awards can be found on the CVM Staff Council website.

A nominating committee made of the K-State Faculty Senate President, USS Senate President and a CVM class President will determine the awardees. All nominations will be reviewed by the committee with all names and distinguishing information redacted. Before awards are distributed, CVM Human Resources will review the awardees to ensure all received at least "Meets Expectations" on their most recent performance review.

Nominations will be accepted from September 1, 2018 through September 30, 2018. Awardees will be announced the first week of December and recognized at the CVM Staff Council Luncheon in January 2019.
