Teaching Resources

We've curated helpful resources to support your teaching and course development.
Have questions about this flyer? Please email us at idteam@ksu.edu.

K-State Canvas Template

tinyurl.com/template-canvas

Streamline your course design with the K-State Canvas Template! This ready-to-use template features a pre-designed homepage, syllabus template, and a checklist PDF.

K-State Syllabus Template

tinyurl.com/template-syllabus

The syllabus template (.doc) will assist you in designing a syllabus that is student-centered and clearly communicates your course goals.

Mediasite

k-state.edu/mediasite/

Create videos with Mediasite using your webcam and screen capture, and auto-create captions for ADA-compliant videos to insert into Canvas. You can also organize your videos with Mediasite.

Canvas

canvas.k-state.edu/info

Find Canvas FAQs, accessibility tips, external tools, and more. This website also features "Getting Started with Canvas" for self-paced guidance on Canvas features.

Instructional Design Support

tinyurl.com/k-state-id

The Instructional Design team specializes in course quality assurance, learner-focused activity design, and accessibility. For personalized support, email idteam@ksu.edu

Teaching & Learning Center

k-state.edu/tlc

The TLC offers instructional support to faculty. Visit the Engage The Sage YouTube channel and weekly Professional Development Series every Wednesday at noon on Zoom.

Sample AI Policy Language

tinyurl.com/k-state-ai

This page provides examples of AI policy statements for your syllabus. Tailor to align with your stance on AI tools and course content, and share it in your syllabus.

Online Course Design Institute

tinyurl.com/k-state-ocdi

This 8-week asynchronous training equips participants with essential online course design skills. By the end of the program, you will have developed your own online course.
