A full-time student must file a program before the end of the second semester of graduate study, and part-time students must do so upon completion of 9 credit hours. If courses have already been taken, department codes, course numbers, course names, credits earned, and the semesters taken should be listed on the program of study as they appear on the transcript(s). Research credit hours for master's and doctoral students should be listed on one line with the total sum of credits. Do not include course work earned more than six years prior to the semester this program is submitted.
