The Veterinary Medical Library is an entity of the College of Veterinary Medicine and affiliated with K-State Libraries. Our primary clientele are the students in the professional curriculum, graduate students, and College staff and faculty. We also serve the needs of others in the KSU community, local health care professionals, veterinarians in the regional area, and others. We are open to the public.

A variety of study spaces are available in the library. Social seating, with the ability to recharge laptops and study, is provided in the Cyber Café at the front of the library. The Quiet Study Room (Room 408A) is provided for individuals who prefer a silent environment for studying. Individual and group study spaces are available also. Students in group areas are asked to self-monitor voice levels in consideration of others studying in the area. There are 2 rooms in the back of the library for group study discussions. Comfortable seating of recliners and bean bag chairs are available throughout the library. Please see page 3 for the layout of the library. It shows which areas are designated for group and individual study as well as other multipurpose areas.

CVM faculty, staff, and students have access to materials and services in all of the K-State Libraries with a valid KSU ID card. Policies regarding the circulation of materials are standardized throughout the system. Services offered are listed below.

- Questions and concerns by and for students can be directed to Miranda Schremmer ([mquint@vet.k-state.edu](mailto:mquint@vet.k-state.edu)). Copy cards for self-service printing and copying can be purchased with cash, check, or credit/debit cards. Also, money can be added to student accounts for lab printing.

- Requests for adding material to the collection can be arranged with Mary Girard ([girard@vet.k-state.edu](mailto:girard@vet.k-state.edu))
- Requests for articles and database searching for on and off campus clients can be arranged with Carol Elmore ([libresearch@vet.k-state.edu](mailto:libresearch@vet.k-state.edu)).
- Interlibrary loan for materials not located at K-State Libraries can be requested via the web at <https://ksu.illiad.oclc.org/illiad/logon.html>.
- Print Graphic services can be directed to Susie Larson ([Larson@vet.k-state.edu](mailto:Larson@vet.k-state.edu).) Services include black and white and color copying, professional retouching for graphics enhancement, poster design, printing and mounting, ID badges, note and manual binding, brochure design and printing, and graduation announcements.
- Technology items are also available for personal and professional use. Items can be reserved and checked out by contacting Miranda Schremmer at [mquint@vet.k-state.edu](mailto:mquint@vet.k-state.edu) or 532-6006. Some of the items available are:
  - Digital cameras
  - Digital camcorders
  - Digital voice recorders
  - Laptops
  - LCD projector - available for professional use only
  - GPS

The **Student Technology Room** (STR) is located adjacent to the library (Room 406). Access to the STR is only available to veterinary students. The room contains 2 computers with dual monitors, scanners, a copier, and a printer. For use with your tabletPC, a 32" monitor is available for viewing detailed images or to facilitate group work. A USB plug keyboard and mouse are available with the monitor.

All staff can answer questions, provide instruction, and support your educational, scholarly, service, and research endeavors.

**Please ask for assistance -- we are here for YOU!**
