

SCAVMA Club Additional Funding Request 2013-2014

Guidelines

Please note: Each CVM club can only apply for this funding opportunity ONCE per academic semester.

- This supplemental application can be used to apply for funding for speakers, wet labs, or educational opportunities available to club members and veterinary students.
- The maximum amount of funding that can be requested on this application is \$1,000.
- Applications will be evaluated based on club financial needs and the number of vet students that will be reached with this programming.
- Please keep in mind that the SCAVMA executive board wants to help your club and help you in funding your event! We do expect many applications and hope to split up funds fairly. With that being said, we may not be able to fully fund each request but do hope to at least partially fund many clubs to provide many opportunities for our students.
- After evaluating the application, the SCAVMA executive board will notify the club president of the board's selection. Please allow 1-3 weeks for a decision and notification.
- Please apply as soon as possible after you know that your event is taking place.
- Applications are accepted on a rolling basis; there is no deadline.
- You are encouraged to apply when your event is being planned; financial awards will be given on a first-come first served basis.
- Each club can submit an application ONCE per academic semester.
- Any club that is applying for funding must be in GOOD STANDING with SCAVMA.
