

Dear Friends,

We like to thank you all for coming on Friday Feb. 6th. It was really great. For the first time we all came to know about the fellow graduate students in the department. We hope you all enjoyed it.

We also want to thank Dr. Nagaraja for kindly obliging our request to address us at the meeting.

To summarize the things we discussed for those who couldn't make it (it's for all of us), here are the few decisions we made collectively:

We decided to meet on the first Friday of every month at a place mutually agreeable to all between 4.00 pm to 5.00 pm
All of us felt the need for making a website which can be listed on K- State web pages. Kamesh volunteered to look into the possibility
We decided to make it an official club- Brian volunteered to find details about this

We discussed the structure/ organization of the club.

President - Sam
Secretary - Kimberly Austin
Treasurer - Susan Moore
Social events coordinator- Vinita Chauhan

We will be meeting on March 5th Friday at Little Apple Brewery (Westloop).
Please contact us if you have any questions or comments

Let us keep up the tempo and make it a big one. We hope to see all the graduate students in DMP next time we meet.
