

RESEARCH COMMITTEE BY-LAWS

- I. **Composition:** The committee will consist of six to seven faculty members.
- II. **Term of Office:** Three years (July 1 - June 30). Terms should be staggered so that two to three members are reappointed or replaced each year. No member may serve more than two consecutive terms.
- III. **Appointments:** Potential members may volunteer to the Department Head or be nominated by any faculty member. The Department Head will make final appointments.
- IV. **Mid-Term Replacement:** Replacement members will be appointed as in paragraph III above.

Guidelines for Submission of Research Proposals: See attached form for submission

Pilot Projects:

- 1) Tenured Faculty or faculty being here for longer than 4 years: limited to \$2000 per principal investigator. Preference will be given to projects that demonstrate active involvement with other faculty. In addition, equipment needs will be considered within this category.
- 2) New Faculty: (within the first 3 years of appointment): limited to \$3000, and must show strong evidence and documentation for using the results as leverage for outside funding.

Proposals for pilot projects should demonstrate evidence that a significant amount of effort went into writing the proposal and should not exceed 3 pages. The form for the request is attached and includes a title, hypothesis, specific aims, brief literature review/relevance of research, experimental design, and an itemized budget.
