

INTRODUCTION

ORGANIZATION OF VETERINARY HEALTH CENTER

Health Center Board. The Veterinary Health Center (VHC) operating protocols are established by the Health Center Board. This Board is chaired by the VHC Director, with Section Heads serving as members. The Health Center Board is responsible for the implementation of policies and the operations of individual sections. The Department Head is responsible for the senior curriculum. Members of the Health Center Board are:

Dr. Roger Fingland, VHC Director
Dr. Shirley Arck, VHC Administrator
Dr. Mike Apley, Section Head, Farm Animal
Dr. David Biller, Section Head, Radiology
Dr. Elizabeth Davis, Section Head, Equine
Dr. Ken Harkin, Section Head, Small Animal Medicine
Dr. Rose McMurphy, Section Head, Anesthesiology
Dr. Walter Renberg, Section Head, Small Animal Surgery

The Section Heads are the course coordinators for the core clinical courses (rotations) and are responsible for implementation of hospital policies and for the day-to-day operation of clinical practices.

Staff. A vital part of our VHC team is the staff. They are highly skilled persons who are essential to the smooth, effective operation of the VHC. You are urged to become acquainted with the staff in each area of the Health Center.
