

The Department of Clinical Sciences protocols are established by the Department faculty in coordination with the Dean of the College of Veterinary Medicine. These protocols include Curriculum, Academic Policy, Grades, Student Absences, Emergency/ICU Duties and Student Leave. You are urged to become acquainted with the staff in the Department Office. They will be able to assist you with student affairs.

Dr. Bonnie Rush, Department Head  
Staci Murray, Assistant to the Department Head  
Kascha Bohnenblust, Department Office Support  
Nelwyn Cook, Department Office Support  
Amy Brusk, Grants Specialist
