OFFICIAL PROTOCOL

ALPACA TEASER CARE PROCEDURES

When a female from the Department of Clinical Sciences (DCS) Foundation Alpaca Herd is used as a teaser for a Breeding Soundness exam (BSE) of a client-owned alpaca, the following protocol will apply.

I.   LA Desk personnel will register and create a medical record for both the client animal and the KSU herd animal. The DCS Alpaca Herd VetStar account number is 139835 - Foundation K-19450 Alpaca.

II.   The client animal will be charged for:

      A.   Breeding Soundness Exam (Z1082 or Z1083)
      B.   Alpaca Teaser Care (Z1783)

III.   The DCS Alpaca Herd animal will be charged for:

      A.   Record Fee on date of visit (E1023)
      B.   Follow up medications approximately 5 days after the visit. Large Animal Desk or Dispensary personnel will reopen the visit to allow the clinician to order the medications.

IV.   The VHC Business Office will write off the DCS Alpaca Herd animal charges in paragraph III above to "WU Alpaca Herd VHC Expense".
