Whispering Garden
Pet Tribute
The Whispering Garden is a tribute to animals that have enriched our lives. The college dedicated a special place where our friends can reflect and almost hear their beloved pets "whisper" once more. Visitors are welcome to walk through, remember, and enjoy memories of lost pets, or the ones that are still a part of their lives. Friends who create legacies through the Pet Tribute are animal lovers from all walks of life. The love of an animal enriches our lives beyond measure.
