

# CORE Special Seminar

## John Berezowski, DVM, PhD

**Veterinary Public Health Institute  
University of Bern**

Dr. Berezowski leads a creative group of researchers at the University of Bern who aim to develop new methods for creating useful knowledge from the many diverse, new sources of data that are now emerging in animal health. Dr. Berezowski is recognized as a world leader in the design and implementation of real-time animal health surveillance systems.

### ***Presents:***

## **“Animal Health Surveillance in Complex Adaptive Systems”**

### **Date:**

Friday, November 10  
At 1:00 PM

### **Location:**

Mosier Hall  
N202

### **CORE:**

785-532-4475
