[Appendix I: Kansas State University International Undergraduate Application](#)

Thank you for your interest in attending Kansas State University! You must apply for Kansas State University before the deadline shown below in order to be considered for your application for the Pre-veterinary Scholarship Program.

***** To apply for fall 2024 semester, the application deadline is September 1, 2023 for the CSC-KSU preVet-DVM Scholarship Program. *****

APPLICATION INSTRUCTIONS:

The following is a list of the materials required when applying for International Undergraduate admission:

1. A completed K-State application.

To apply on-line:

<https://www.k-state.edu/admit/apply/apply.html>

2. An \$80 non-refundable application fee must be included with the application. ***According to university policy, the Office of International Admissions will NOT be able to begin processing your application until the application fee has been paid.*** The application fee can be paid by personal check, bank draft, money order or credit card. The best way to pay application fee is on line when you apply.

3. Official transcripts, translated into English if necessary. Applicants should request official transcripts from all universities they have attended. Official transcript is generally sent directly from one university to the other, not passing through students. Official transcripts have the university seal on the transcript, itself, and should be mailed to the following address in an envelope with a seal over the back of the envelope. ***Please make sure your name is on ALL documents.

4. Official TOEFL and GRE scores must be sent from ETS to institutional code 6334 (Undergraduate) and department/major field code 0617, respectively, before September 1, 2023.
